

Our Strategic Goals

Impact

Make high impact grants with measurable outcomes that improve our communities and strengthen the families who live there through partnering with nonprofit agencies.

Family Engagement

Actively engage family members in all aspects of the Foundation's work and celebrate their interests, involvement, and talents.

Succession

Ensure that the O'Neill Foundation and the commitment of the family to serve are sustained in future generations.

Stewardship

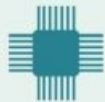

Continue to build an effective and sustainable organization which reflects the values and develops leadership among Trustees, staff, family members, and volunteers.

We fund whole-family approaches that strive to meet the needs of the entire family unit.
