EXCLUSIVE CEO RETREAT • \$5,000

In 2012, an invitation-only gathering of leading family foundation CEOs featured discussions on the role of the Seasoned CEO led by Carol Larson of the David and Lucile Packard Foundation, Phillip Henderson of the Surdna Foundation, and Steve Toben of the Flora Family Foundation. Limited to only 25 attendees, this prestigious gathering offered a “safe space” for Seasoned CEOs to share challenges, lessons learned and join together for 3 days of discussion, reflection and renewal. We will be replicating this session on a range of CEO topics in 2014.
