## FAMILY GIVING NEWS • \$2,500 (per issue)

### *Discounts on Bundled Sponsorships*

**Family Giving News**, the most widely read monthly newsletter for the family donor field, reaches over 11,000 readers each month. It connects donors, trustees, staff, and philanthropic advisors with important new trends and the latest research in family philanthropy. In each issue, you will find:

- **Feature articles** examining important issues in family giving, including general operating vs. program support, privacy and publicity, going beyond grantmaking, and raising charitable children
- **Profiles in Family Philanthropy** that capture some of today's most inspiring, innovative, and creative giving families in action
- **"Voices from the Field,"** capturing perspectives from family philanthropy practitioners on key trends and difficult decisions
- **"Ask the Center,"** where we answer readers' burning questions on everything from governance to grantmaking to mission related investing
- **Reader polls, news, research, and trends** from around the web, and more...
