

A PORTRAIT OF FAMILY PHILANTHROPY: RESOURCE AND REFERENCE LIST

The following resource list on family philanthropy includes research explicitly focused on family philanthropy and also work on related topics (such as foundations or individual philanthropy) that focuses in part on family philanthropy issues. The list is intended to provide an overview of the best research in the field, but is by no means comprehensive. The National Center welcomes suggestions for research and informational pieces that might be added to this list.

- Allen, Michael P. 1987. ***The Founding Fortunes: A New Anatomy of the Super-Rich Families in America.*** New York, NY: Truman Talley Books.
