

Core Values

The following core values form the fabric of our culture and are informed by the Foundation's founders. These values are stable across time and support all of our work.

Continuous Learning – Embrace change and grow

We pursue feedback and training that will improve the quality of our work.

Integrity – Be open and transparent

We value and understand the importance of transparency. This keeps us honest, authentic and accountable.

Collaboration – Respect and engage all partners

We are committed to consistently seek outcomes that will be beneficial to all our partners and stakeholders.

Commitment – Be accountable and persistent

We value quality over quantity. We set realistic goals and create relative benchmarks to meet them.
