The Opportunity

The Sobrato Family Foundation (SFF) is seeking a dynamic, disciplined and seasoned new Executive Director (ED) with a proven ability to guide a mission-focused organization through its next phase of evolution and growth. The ED must have a solid track record of organizational leadership and management, business acuity and community leadership. The ED will report to the Board of Directors of SFF, and partner with the President of the Board to ensure strong governance.

The Foundation

Mission
The Foundation’s mission is to build a strong and vibrant Silicon Valley community through business and philanthropic leadership. SFF is a place-based grantmaker investing exclusively in nonprofits that serve those most in need in Santa Clara, San Mateo and Southern Alameda counties.

Programs
The Foundation’s innovative People & Places portfolio utilizes both cash and real estate to achieve maximum impact. SFF provides multi-year general operating support and in-kind office and meeting space totaling 360,000 square feet. SFF also supports special initiatives that align with the Foundation’s mission, such as their Early Academic Language pilot program and a new Education Fund focused on helping to close the opportunity gap for Silicon Valley students. In addition, individual family members engage in a variety of other philanthropic projects across a range of interest areas.

History
For more than 50 years, John A. and his wife Susan have shared their business success with the Valley, raising their three children – John Michael Sobrato, Lisa Sobrato Sonsini and Sheri Sobrato – to be deeply engaged in community concerns. Lisa formalized this multi-generational legacy of philanthropy in 1996 with the establishment of the Sobrato Family Foundation (SFF), a
private family foundation committed to sustaining the philanthropic legacy of the Sobrato family.

In 2011, the family adopted a more holistic view of its cumulative impact under the Sobrato Philanthropies, which encompass the Sobrato Family Foundation and its support organization, along with the family’s individual giving, and corporate donations made by the Sobrato Organization.

Combined assets of the Sobrato Family Foundation and its public support organization have grown from $500,000 to more than $260 million, due in part to an estate bequest and the donation of individual Sobrato real estate holdings. The full portfolio of Sobrato philanthropic entities, including the Foundation, has invested more than $165 million in the local community to date.
