Grants Manager
Crown Family Philanthropies | Chicago, Illinois
POSTED JULY 15, 2015

Job Summary
Crown Family Philanthropies seeks an exceptional professional to join our grants management team, which is responsible for internal processing, tracking, and reporting on the grant applications received and grant awards made by the Foundation. The grants manager position provides internal administrative, financial, and technical support to the Foundation and reports to the Director of Grants Management. A keen attention to detail and an ability to think strategically about process improvement is highly desired.

Responsibilities
Enhance and further develop existing grant making
procedures with an emphasis on automating key processes to improve workflow and efficiency; identify and create new procedures and policies as needed

Manage grant-cycle calendar; work with program teams to stay ahead of meeting and requirement deadlines, ensuring that grants are accurately and efficiently processed and recorded

Maintain online grant application materials to ensure that information submitted by grant seekers populates the database. Update materials as needed based on feedback from program staff.

Manage communication from many inputs including program teams, accounting department, and family members to accurately and efficiently carry out CFP grant management activities

Serve as primary resource on grant-making protocols and best practices, including compliance with IRS regulations and additional internal requirements

Ensure accuracy and completeness of grant database, including grant agreements, grantee correspondence and contact information

Generate correspondence on behalf of program staff to grantee organizations on critical grants information, including award letters, grant agreements, declines, and check transmittal letters. Authorize grant payments after careful and thorough evaluation of appropriate accounting controls and a determination that grant making requirements are met

Manage the Henry Crown Scholarship Fund, working with the President of the Henry Crown Scholars. Manage scholar internship program to find appropriate job placement for scholars, including negotiating terms of internships with nonprofits and organizing events for the scholars and internship agency representatives. Provide periodic updates on the program and fund performance and manage overall grantmaking activities.

**Qualifications**
