

Applying for a Grant

Grant Guidelines:

s are by invitation only.

e generally not provided to: Start up organizations for start up-funding, general requests, awareness or marketing campaigns, fiscal sponsorship programs and others.

a grant is not a guarantee of continued funding. Generally, grants are limited in amount and the Foundation may require matching contributions in year two and subsequent years. The Foundation will, generally, not give to an organization if the grant represents a significant portion of the overall budget within any fiscal year.

Organization receiving the grant must provide a progress report within 12 months of the start of a grant.

Application**

Publicity Policy:

The Joseph Family Foundation permits grantees to acknowledge the Foundation's financial support as helpful in advancing their mission and work.

Grantees must acknowledge the Foundation's support as appropriate in publications, announcements, and other coverage of their work. In any acknowledgement, a grantee may use the name and logo of the Joseph Family Foundation, as well as the nature or purpose of the grant. When specifically authorized, grantees are not permitted to disclose the specific details of the grant. The Foundation's logo is available upon request.

Requests for official statements must be directed and approved by the Foundation.
