

Take a Family Giving Getaway

Saturday, November 17

Want to squeeze in a family vacation without having to leave town?

Take a Family Giving Getaway to volunteer as a family on Saturday, November 17. This getaway package includes a behind-the-scenes peek at a local nonprofit organization and resources to help your family share in the joys of giving back. Our Getaway will feature Cultivate KC.

Cultivate KC

1 to 3:30 p.m.

Enjoy the warmth of a greenhouse as you plant winter crops and learn firsthand about the trend of sustainability and community gardens. Tour Gibbs Road Farm and hear from urban farmers.

Family Giving Getaways is a new program offered to Greater Kansas City Community Foundation donors as a hands-on giving experience for the entire family. November 17 is Family Volunteer Day, a national day of service designed to demonstrate that volunteering together is one of the best ways to pass along charitable values and help children feel the power of doing good.

To reserve your seat, please contact Jackie Baker 816-627-3414 or baker@gkccf.org

-

Thank you to the Black Community Fund for supporting today's event.

Aaron North

-) Please share a brief introduction, how has the Kauffman Foundation decided to support early education?
-) What do you believe are the greatest needs in early education?
-) What is the Kauffman Foundation's strategy in this area?
-) What strategies /programs have you seen as successful in KC or other communities?
-) What is the Early Education Funders Collaborative? What role do you see it playing in Kansas City?
-) How will you measure success of investments in early education in Kansas City?

Susan Stanton

-) Please share a brief introduction and describe your involvement in early education as donor, board member and executive director.
-) What do you believe are the greatest needs in early education?
-) What strategies /programs have you seen as successful in KC or other communities?
-) How do children's backgrounds impact early education (i.e. ACEs / toxic stress)?
-) What do you believe are some of the best ways to build resilience in children?
-) How will you measure success of investments in early education in Kansas City?

Evaluation

-) What is your biggest take away?
-) Were you familiar with toxic stress/ACEs before today?
