THEORY OF CHANGE

Find Local Visionaries

We find changemakers with a successful track record and ambition to grow their work.

Build Relationships

We understand grantee challenges intimately and invest in people over projects.

Nurture Capacity

We help break down barriers to organizational health and growth.

Amplify the Work

We promote our partners' work to help them access ideas, funding, and new networks.

Foster Community

We create a community that is celebratory, inspiring, and collaborative.

Agency

Visionaries have the resources and networks to lead the development of their communities.

Visionaries

Visionaries are changemakers with ambition, vision, and a commitment to the communities they serve. Visionaries demonstrate that local solutions are the best solutions for improving the well-being of communities in Sub-Saharan Africa.

LEARN & INNOVATE

We seek to iterate and innovate at each step.

Visionaries
increase their impact, revenue, and influence.

Donors
prioritize investing in local and African visionaries.

Donors

Donors are gatekeepers to the resources required by visionaries to change the world. Donors can proactively address the unbalanced power dynamic of the traditional aid paradigm.

Engage Open-Minded Funders

We connect with funders who demonstrate a willingness to collaborate.

Challenge the Status Quo (Including Our Own)

We identify inefficient funder practices and present evidence-based alternatives

Share Improved Practices

We promote grantee-centric practices and share our systems for learning and feedback.

Curate Connections

We directly link like-minded visionaries and donors, creating pathways for partnership.

Foster Community

We create a community that is celebratory, inspiring, and collaborative.

Trust

Donors trust visionaries to lead the development of their own communities.
