Stewardship – give thoughtfully

Give thoughtfully

Birthday Donation

This month you get to explore The Longbrake Family Foundation value of stewardship. Stewardship refers to the way time, talents, material possessions, and wealth, are used or given in service of God. At TLFF the value of stewardship reminds us to give thoughtfully. In order to practice this value, the board has designated that each member of the 3rd generation over 5 years of age should get \$100 on their birthday to give to an organization or organizations of their choice. Please work with your **BB** to answer the following questions and relay the answers to TLFF **Staff**.

- What is the name and address (website or physical)?
- What do they do and who do they help?
- Why did you choose them?

NGB: designate which organization(s) you would like birthday donation to go to, answer 3 birthday donation questions and return answers to **Staff**.

BB: Check in with buddy about their birthday donation and assist relaying their answers to **Staff** if necessary.
