Serving 8 - 15 year olds
Internships for 16+
Teaching building basics: Carpentry, electrical, plumbing, painting, roofing, sheet metal, blacksmithing, auto mechanics and anything else that strikes our fancy
Funding

- Our first years of rural funding
- People served
- Scarcity of resources in rural areas
- Cost increase to serve rural areas
Why the building trades?

- Career vs. job
  - Pay
  - Benefits
  - Satisfaction and pride
- Community
  - Allow people to live where they grew up
  - Opportunity to be supported and provide support
- Generational wealth
