

1. Department of Labor Nursing Shortage application
2. Baptist Hospital Nursing Education Building application
3. LSCPA Commercial Driver Exam & Training Center

Department of Labor Nursing Shortage Grant

Predicted Completion Rates For two Cohorts

80 students earn their CNA
and train for their LVN
28 fail and remain CNAs
52 earn their LVN

100 unskilled laborers train for their CNA.
20 fail and remain as unskilled laborers.

52 students study for their diploma RN
21 fail and remain LVNs
31 students earn their RN

We believe that the
31 Diploma RNs
will also complete their
academic courses and
earn their ADN.
